A CWH GROUP TREK TO THE
MEADOWS OF PUSHTARA IN
RUPIN SUPIN REGION.
5 – 11 MAY

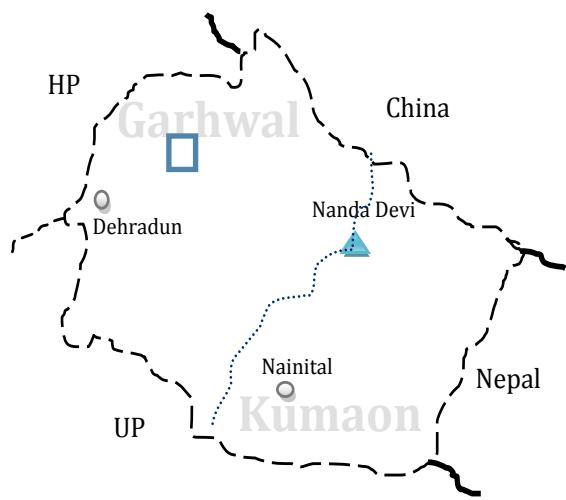

THE MEADOWS OF PUSHTARA

Above the Supin river, surrounded by an amphitheatre of snow covered peaks, lie the stunningly beautiful and wide meadows of Pushtara. We climb through quaint villages and thick forests, on to the rhododendrons in full bloom, then to the stunning ridge of Phulara and finally to the rolling meadows spread as far as eyes can see. Camping amidst a carpet of flowers, with snow peaks within touching distance, with only shepherds and their sheep for company and no connection to the outside world – this is the quintessential Himalayan trekking experience.

TRIP HIGHLIGHTS

- Camping in untouched green rolling meadows
- Doable walks for beginners
- Phulara ridge is breathtaking
- Stay at a river camp and white water rafting in the Tons

A BRIEF OVERVIEW

The land of Gods

Garhwal is Devbhoomi, the land of Gods, and nowhere it is more prominent than when in close proximity to the Himalayan peaks and meadows. As the pilgrims make a journey towards Gangotri from Uttarkashi, we go on our own journey, uncommon but life changing.

Pushtara meadows trek

Starting from the small village of Sankri, the trail steadily climbs through forests and rhododendrons to reach the meadows. Climbs are short and only moderately challenging, and the rewards far outweigh the effort. The trek is perfect for first timers and even children.

WHAT TO GET ALONG?

Himalayan summer means long pleasant days and cool nights. It will be cold as we camp high on the meadows but we will be snug in our sleeping bags. Temp ranges from 7 to 25 degrees on the trek. Never count out the occasional Himalayan shower though. We will be prepared accordingly: Woolen sweater, cap, socks and gloves, a light rain jacket and good walking shoes are the essentials. Layering is the key. Detailed checklist on signing up.

MAKING A CONTRIBUTION

There is always a way of giving back to the place and people where we go for our holidays. We are organizing this trek with a group of guides and porters of this area. This is their only source of employment apart from the once a year crop cycle. You can also support local handicraft weavers by buying your woolens from them directly.
